Customer Care Helpline

Our customer care centre can be contacted during normal working hours. For spare parts and after sales service proof of purchase must be provided. If an engineer's visit is requested, we require a pre-authorisation against a valid credit/debit card prior to call-out. If the product is found not to faulty and the call-out is due to installation error we will charge a call-out fee.

The terms and conditions of our after sales service are available upon request. Please contact our customer care line for further information.

Tel: +44 (0) 845 257 6973
